

**DCM obtains ASME “S” & “U” Certificates of Authorization for Power boilers and Pressure Vessels**

The ASME “S” and “U” Certificates greatly enhance DCM’s ability to provide its customers integrated services for the construction, installation, repair, and alteration of power boilers and pressure vessels, in its own fabrication shop or in the field. DCM’s new ASME Quality Manual and valid Certificates of Authorization also cover external, power, and process piping, direct and indirect fired heaters, pressure fittings, and welder testing.
