

Good news: DCM and DAWCO are celebrating their 70th anniversary

Dear valued business partners,

2020 marks an important milestone as we proudly celebrate our 70th anniversary. The big day was actually on March 23, and as usual a range of events were planned for this special day. Unfortunately, like all of you, we were faced with this unprecedented pandemic that spoiled the celebrations. But this is only a temporary setback!

DCM Group (including DAWCO and DCM Integrated Solutions) won't easily forget the importance of this day and is committed to celebrating this memorable anniversary. We need to recognize seven decades of hard work, filled with success thanks to partners like you. We are so proud of this accomplishment!

It is with great pride and enthusiasm that we unveil the new look of our logos for the occasion:

We would also like to take this opportunity to thank you for your continued trust in us over the years. Thanks to your collaboration, as a business partner, you have actively participated in the development and success of our Group, and we are grateful to you.

Together we will continue on this adventure and take on many new and exciting challenges. We are counting on your support for the next 70 years and trust in that will be there for you for all your future projects.

Thank you for helping us realize our goal of becoming an industry leader.
